

**Northeast
Animal Shelter**

2022 ANNUAL REVIEW

ADOPTION PROGRAM

Evie came to NEAS from a hoarding situation in Florida. When she arrived at the shelter she was very nervous and shut down, but a wonderful family decided to give her a second chance to live her best life. For the first few days in her new home, Evie was very shy and hardly came out to

spend time with her mom and dad, or her feline sister, Cleo. But with a little time and patience, Evie began socializing with her family more and more. These days, she can be found chasing her sister Cleo around the house romping and playing, or pushing her out of the way to snuggle her parents.

ANIMAL RELOCATION PROGRAM

When epic and historic floods deluged Kentucky in the summer of 2022, we knew that animals, like so many humans, would not be spared and they weren't. Untold animals were rendered homeless by the floods. Committed to doing everything possible to help, we organized a disaster assistance plan centered around transporting 26 cats from over-crowded shelters to Massachusetts, where they soon found loving homes. Our teams also provided desperately needed relief help for overworked Kentucky animal shelter employees, many of whom were directly impacted by the storms.

Rosie, an 11-year-old Jack Russell Terrier came to NEAS from a hoarding situation in Tulsa, Oklahoma. Upon arrival it was clear Rosie was in need of medical care as her mouth was very painful. Rosie was able to receive a major dental surgery at Angell Animal Medical Center and is now living her best life with her new family.

VOLUNTEER AND FOSTER PROGRAM

Tigger is a cuddly and affectionate 11-year-old cat, who needed to spend some time in a foster home to regulate his diabetes. In his foster home he greeted his foster mom at the door every day when she came home from work with a head butt and meow, and was so patient and calm for his insulin shots. Once regulated, Tigger quickly won over a loving family to call his own with his sweet and easy going demeanor.

COMMUNITY OUTREACH

Our Community Outreach team met Lucky when his owner came to the shelter looking for affordable resources — they set him up with a low cost neuter surgery, and free pet food from our community pet food bank. Only a couple of days after his surgery, Lucky was attacked by another dog right outside his home. Unsure what to do, Lucky's dad called the Community Outreach team right away, and they were able to get Lucky seen at the MSPCA Boston Community Clinic where his wounds were treated. Today Lucky is happy, healthy, and spends his days with his dad who loves him very much.

PUBLIC SUPPORT AND ENGAGEMENT

Northeast Animal Shelter is especially honored to acknowledge the support of our closest friends:

Gold and Platinum Collar donors, whose generous gifts help so many NEAS animals.

Monthly Pledge of Love donors who provide the ongoing income we rely on.

Forever Friends Legacy Society members who support our shelter through their estate plans.

Businesses and organizations whose products and services help us care for homeless pets.

ON AVERAGE, 72 CENTS OF EVERY DOLLAR RAISED IS USED FOR PROGRAMS AND SERVICES THAT DIRECTLY BENEFIT THE ANIMALS IN OUR CARE
