

MSPCA-Angell Petsgiving Food Drive

Help us feed pets in need this holiday season

This holiday season, the MSPCA-Angell is calling on schools, businesses, and community groups to come together and help families keep their beloved pets fed and cared for. Every bag or can of pet food donated makes a difference for animals right here in our community.

HOW TO START YOUR OWN PET FOOD DRIVE

1. **Set up a collection box at your school, business, or community space.**
2. **Encourage donations of unopened dog and cat food (dry or canned), litter, and supplies.**
3. **Drop off donations at your closest MSPCA shelter any time in November or December!**

Together, we can reach our goal of providing ***500,000 pet meals*** *this holiday season!*
