*The Summer Camp has a dedicated cell phone to give registered camp families the ability to
contact our camp staff directly if they need access to their child during camp hours. Please do not
use this phone for general camp inquiries. The camp cell phone is only in service during the weeks
that camp is in session (late June – mid August).

Schedule
Camp runs from 9am-3pm each day, Monday through Friday. Please note that the theme for each
week helps shape discussions, crafts, and guest speaker presentations, but all campers participate
in similar animal care activities, games, and animal visits.

Payment & Paperwork
Camper Profiles, payment, and immunization records for summer camp are completed during your
online registration. No child will be allowed to attend camp without having a copy of their
immunization records on file, which is why you cannot complete your child’s registration without
uploading it.

If you need to send us an updated immunization record after your registration, it should be emailed
or faxed. If you would like automatic confirmation that your updated record was received, it should
be emailed. We collect up to 384 camper registration packets over a short time period, and will be
unable to automatically confirm receipt of mailed, faxed, or dropped off in person documents in a timely manner.

The camp staff must have all alternate pick up permission in writing (an email is acceptable), please provide this information if you did not do so during your online registration process.

Any camper bringing medication to camp must have a Medical Authorization Form on file. Please contact us if you did not fill out this portion of the online form during your registration process and need to do so.

Drop-Off and Pick-Up
Drop-off is between 8:45-9am and pick-up is promptly at 3pm. Adults providing transportation are instructed to follow the driveway past the barn and park in the main lot before walking their child to the grassy area near the outdoor riding ring at the far left side of the Noble Family Animal Care and Adoption Center. Camp staff will be present to greet and supervise campers during both drop-off and pick-up times.

We ask that parents wait patiently if arriving early for pick-up or drop-off. The camp staff will be outside to greet camp families by 8:45am. Under no circumstances should a child be left unattended on our property. We have a daily sign in/out sheet that all adults providing transportation must sign. If you arrive early to pick up your child, please wait outside and do not enter the camp room, as this interrupts the guest speakers who present from 2-3pm each day, and presents a safety issue for off leash animals who may be in the room. If your child needs to leave early for an appointment, please let us know in advance, and we will dismiss them from the front counter at the adoption center.

Parents/guardians must provide program staff with written permission if individuals other than themselves will be transporting their children to/from the program. A permission form is included in the Camper Profile. Non parents should be prepared to show a photo id at pick up time if it is their first time picking up.

If a child hasn’t arrived by 9:15am, a Counselor will call parents to determine whether they will be attending that day. Please call the Summer Camp staff if you know your child will be late or absent. If a child is not picked up at the end of the day, a Counselor will supervise the child until a parent can be reached. If you are going to be late for pick-up, please call the Summer Camp staff to let them know. We ask that all parents/guardians arrive promptly to pick up their children at 3pm. Please note that if you are late picking up your child from camp, you will be charged a late fee of $5 for the first 5 minutes, and $2 per minute thereafter.

Junior Volunteer Program (After Care)
We do not offer after care, however, campers between the ages of 11-15 may take advantage of our popular Junior Volunteer Program. The Junior Volunteer Program has expanded hours for the summer months and is held Monday – Thursday from 3-5pm. If your child is between the ages of 11-15, and is in need of after care or wishes to spend a full day at the shelter, we will be offering advanced registration for Junior Volunteer for summer camp families at a discounted rate of $13 per day. The program is limited to 12 children per day, therefore, we recommend early registration in order to secure your child’s spot. You may register for the Junior Volunteer Program at the discounted rate until May 31st, after May 31st you may register for the regular rate of $15 per session if space is available. Camp families may register for Junior Volunteer as often as they would like, even if they are registering for a date that their child is not attending camp. If your child is younger than age 11, and they require after care, they are not eligible for the Junior Volunteer Program, however, we may be able to work something out for your family. If your child requires after care
and the date(s) you need are sold out, please email us as well and we will try to help you. Please note that if you are late picking up your child from JV, you will be charged a late fee of $5 for the first 5 minutes, and $2 per minute thereafter.

What to Bring to Camp: Clothing & Supplies
Campers should dress in comfortable clothing that they do not mind getting a little dirty, and comfortable sneakers. We recommend bringing rubber rain boots for cleaning in the chicken coop and horse stalls, a sweatshirt for inside areas (our AC is cranked pretty high), sunscreen, bug repellent, a snack, lunch, a reusable water bottle (we have refilling stations), change of clothing just in case, and foul weather gear (we will go outside for animal care chores in the rain). We have cubbies to store extra belongings throughout the day. Campers are allowed to bring cameras or video recorders, but we are not responsible for lost, stolen, or broken valuables.

What Bring to Camp: Food & Beverages
Your child should have a lunch, drink and snack for camp each day. They should also bring a refillable water bottle each day, as it is hot here in the summer. If your child will be staying for the Junior Volunteer Program after camp, we suggest sending a second snack with them for that day. We have refrigeration available for lunches, but do not have access to microwaves or stoves. We ask that parents help us to reinforce what the children are learning at camp by using as much reusable or recyclable material as possible to pack your child’s lunch. We are not a peanut free facility, we do not have restrictions on the food your child brings to camp. However, please ask your child not to share their food with other campers in case of allergies.

What Not to Bring to Camp
Please do not bring sandals (even if they have covered toes), open toed shoes, handheld video game consoles, jewelry or anything valuable that you are concerned about to camp. Cell phones are not allowed at camp. If your child needs to bring a cell phone with them for after camp, please check it in with the camp director in the morning, and it will be returned to them when they leave. If your child’s cell phone is doubling as their camera or video recorder, they may use it during camp hours for that purpose only. We are not responsible for lost, stolen, or broken valuables, and recommend leaving any items of value at home. Please do not send your child to camp with money or credit cards. They do not have the ability to make purchases during camp hours.

Our full MSPCA Children’s Summer Camp “Policy Packet” is available on our website at www.mspca.org/nevinssummercamp. Included in this packet are our policies on background checks, discipline, fire safety and evacuation, first aid, health records, lost children, storage and administration of medication, suspected abuse and neglect, and other important topics.
